**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer or small business owner who supports broadband competition. I am stuck with just one or two providers, I want more competition!

Big telephone companies are seeking deregulation, so they could levy a massive price hike on all broadband customers.

Local providers are building new fiber networks to bring faster speeds. Competition builds the future!
